

SE Spa Electrics
Product Catalogue

*“**Spa Electrics** designs, manufactures and provides the underwater lighting industry with the highest quality pool lighting products and associated equipment. Quality and Innovation defines both our Brand and Products. We pride ourselves on being passionate and providing exceptional service and support to the industry. We strive to achieve increased sustainability and efficiency across all levels of our business. We seek to build and retain long term relationships and partnerships which are mutually respectful and profitable.”*

Our mission is to build on our long history of product excellence and technological innovation to provide the highest-quality and most reliable products to our customers world-wide.

A stylized, handwritten signature in white ink, consisting of a large 'K' followed by a large 'R' and a smaller 'ust'.
